My Goals And Ambitions. Intelligence without ambition is a bird without wings. Salvador Dali actually , i wanted to become a doc. since i was 4 years old.my grandfather was a landlord. i always used to ask him `when i become a doc. will u give me some of your land to construct my clinic?` he used to smile and say`why not dear.` then i would say `grandpa then i will certainly treat you after i ...Maria V. Uvalda, GA "I've never seen people like you read for fun." Every time I heard this statement, my head throbbed and my motivation wavered with the emphasis of one devastating, degrading truth: it was not expected of me because of my background.Check Out These Other Pages At Hoseheads.
